Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Friday 13 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Saturday starting breezy but fine, cloudier later with patchy rain.

This Evening and Tonight:
Remaining breezy during the evening and overnight, with isolated showers becoming lighter, fewer and further between with time. Becoming rather cool by dawn in more sheltered valleys. Minimum temperature 7 deg C (45 deg F).

Saturday:
Initially breezy, but with warm sunny spells and perhaps the odd fleeting light shower. Probably becoming cloudier from the south later as winds ease, perhaps culminating in patchy evening rain. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Rather cloudy with some rain possible Sunday, ahead of a bright but blustery Monday with showers. Probably damp and on the cloudy side again Tuesday, but brighter in the east.
